SUPPLEMENTAL PRELIMINARY AMENDMENT

Assistant Commissioner of Patents
Washington, D.C. 20231

Sir:

Prior to initiating the Examination of the above-described continuation application, Applicants herewith submit the following Preliminary Amendment and Remarks.

IN THE CLAIMS

Please amend claim 2, cancel claim 3, and add the following claim(s):

- 21 Sub E1
2. (Amended) A method of controlling a transmitter station including:
[programming a computer to select and control the communication of mass
medium programming materials based on a schedule;]
inputting to [said] a computer a schedule that [specifies] designates a unit of
mass medium programming and includes one or more of the group[:]
consisting of:
(a) a time to transmit said unit of mass medium programming
to a remote station; and
